Who We Are

The Illinois Association of Housing Authorities (IAHA) was formed to unite the housing authorities in the State of Illinois to use its resources to evaluate, educate, exchange ideas, and address the membership's individual and collective needs. IAHA is primarily concerned with working towards the objective to ensure the availability of decent, safe and sanitary affordable housing for all people; to work for community development and the elimination of slums; to foster, develop and improve the standards and practices involved in the administration of such programs; and to provide a clearinghouse for the exchange of ideas and experiences.

The Association advocates for funding and policies, regulations and legislature that assists its members in carrying out this mission of providing decent, safe and sanitary housing to the tens of thousands of clients its' members serve.
